ETERNAL MATTERS

Description

Is there life after death? Embark in a surrealistic afterlife journey, discover the secrets of a new and mysterious world in this atmospheric light puzzle-platformer with a hint of stealth. Explore a warm voxel world with an intense cinematic approach. Dive into this deep reflexive experience and try to find the exit!

Features

- **A relaxing journey with unexpected encounters**
You wake up in a new and intriguing and surreal world. Where are you? What are you doing here? Why everything seems so different? Embark in a voyage full of interesting characters, learn and rest in warm environments, explore and hide in cold ones. Discover the purpose of your journey but always remember that some adversities can't be faced alone.
- **A Voxel art style with a strong cinematic approach**
Be delighted by the curious combination of a minimalistic art style with an intense cinematic approach.
- **A light gameplay approach**
Embark in a thrilling journey without needing to be a hardcore player. DEEXIT mix touches of puzzles, stealth, platforming and action game in a chill and pleasant experience enjoyable by anyone.
- **A reflexion around the afterlife and the memories**
With DEEXIT we want to open the discussion around these fascinating topics from a heartwarming way. We hope you will enjoy our ode to life.
