## About the Publisher

HandyGames is a THQ Nordic family member and operates as an international publisher for small and mid-size projects and developers for a worldwide audience.

## About the Devs

Seed by Seed is an independent game development studio, based in Angoulême, France, created to bring the coop game Pile Up! Box by Box to life.

 SEED BY SEED

## Platforms

## Description

Pile Up! Box by Box is a 1-to-4 player couch coop 3D platforming adventure for friends and families! Jump on each other, explore the cardboard world together and use items you find along the way to build the wackiest piles!

Coordinate with your friends or rely on your own creativity to navigate cardboard worlds full of uniquely joyful levels. Unfold mysteries, solve puzzles and quests as a team and visit the friendly citizens of sun-baked islands, amber forests, and vibrant caves. Or maybe just kick-back and challenge your friends in action-packed rounds of Boxball, Pile of Dunk or Tic Pile Toe?

## Features

- Pile-up on each other!
- A joyful adventure for 1 to 4 players
- Cute colorful cardboard worlds and creatures to discover
- Open-ended puzzles that foster creativity
- Mini-games to challenge your friends!
- Drop-in and out at any time with dynamic challenge rescaling
